CAR PARKING AND MUNICH'S LOW EMISSION ZONE

You can park your car in our parking garage for €11 per day. Please book in advance. Upon arrival, simply leave your car in the courtyard and check in at reception. We will then direct you to the parking garage.

Please note: You need a green emissions sticker for your car to drive in the centre of Munich (low emission zone). If already have an emissions sticker – perhaps you live in Berlin, Bremen or Stuttgart – then you don't need to do anything, as your sticker is valid in Munich too. If you need to apply for a sticker, you can find more information here: <http://www.muenchen.de/dienstleistungsfinder/muenchen/1063529/n0/>

BE NATURE-RATE

Our Be Nature rate does away with the daily cleaning and refill service. If you are staying in Maier's Mirabell for two or more nights, you can book this rate to help us run our hotel more sustainably: the room will not be cleaned, the towels will not be changed, and the minibar won't be restocked. This doesn't just save water; it also saves electricity, cleaning products and resources. You can save up to €15 by booking this rate.

HOSPITALITY

Our reception is manned from 8am to 11pm. Our reception staff live and breathe Munich and are more than happy to advise you where is best to eat, drink, shop, wander, admire and celebrate. You are welcome to pop along at any time with your questions and requests.

HOTEL BAR

Our inviting lobby is home to our hotel bar, featuring a hand-picked selection of Bavarian beers, wonderful wines and fine liquors.

PUBLIC TRANSPORT

The Hotel Mirabell is just a stone's throw from the main train station. All of the main modes of public transport stop here: the U-Bahn underground lines U1, U4, U5, and the U2, which offers a direct link to the exhibition grounds; all S-Bahn local train lines, as well as S1/S8 with a direct link to the airport; the Lufthansa airport bus and the tram lines 18, 19, 20 and 27.
